# MESSAGE FROM THE MAYOR

**Dear Whitworth Residents and Friends,**

It's been a busy and heartwarming few months here in Whitworth, filled with wonderful events and community spirit. I've had the pleasure of attending a variety of occasions - from our Town Twinning and Swimming Club exchange visits with our friends from Kandel, where I met some truly lovely people, to a delightful afternoon tea in support of Cancer Research and a fun-filled day at Lobden.

The WAMDS show at the Curtain Theatre was absolutely fantastic - what a talented group we have! Healey Church's lively 175th celebration was another highlight, with curry nights and Halloween parties adding to the festive atmosphere. And of course we have just marked Remembrance Sunday, when we came together and paid our respects to all those victims of war.

Councillor Janet Whitehead, Councillor Janet Emsley and representatives of Christ Church, Healey

However, amidst the joy and communal solemnity there was a moment of deep personal sorrow for us to face up to. I was devastated, as I know many of you were, to hear of the tragic loss of 12-year-old Brody. My heartfelt condolences go out to his family and friends – our community stands with you in this difficult time.

\*

Soon it will be full steam ahead into our festive season, with Christmas markets, carol concerts, and the magical light switch-on. I've thoroughly enjoyed representing Whitworth over the past few months and remain committed to doing so with enthusiasm and care. I look forward to seeing many of you at upcoming events, including the Christmas Market where I'll be running a Chocolotto stall, the Christmas Quiz at the Cock and Magpie, and the Speed Quiz in February at Lobden Golf Club. We also have a daytime festival planned for April - all helping to raise vital funds for our amazing local community groups run by dedicated volunteers.

For more information, please feel free to contact me at [cllr.j.whitehead@whitworth.gov.uk](mailto:cllr.j.whitehead@whitworth.gov.uk), or reach out to Rachel or Abbie at [info@whitworth.gov.uk](mailto:info@whitworth.gov.uk).

Thank you for your continued support - it's an honour to serve as your Mayor.

Warm regards,

## CHRISTMAS LIGHT SWITCH ON AND SANTA'S GROTTO

Step into the magic of Christmas this year at The Ashcroft on Sunday 23rd of November, to experience Santa's Grotto, a Christmas Light Switch on and a Christmas Market.

Bring the whole family and experience the wonder of the festive season. From 12:30-3:30pm at just £3 per child, children will be greeted by Santa himself in his cosy, winter wonderland. Children will be able to share their Christmas wishes, have a festive chat and don't forget to take a photo to capture the moment! Each child will receive a hand-picked present to take home with them, straight from the North Pole! There will be a post box available so children can either hand their letter to Santa himself or pop them in the post box for him to read later.

Throughout these festive activities, between 12-4pm, there will also be a Christmas Market inside the Ashcroft. This will also include a free inflatable snow globe on the stage for residents to take photos, a free face painter based in the lounge inside the Ashcroft, as well as outside catering on the small carpark with seating available and covered by marquees.

At 4:15pm, residents are invited to gather outside The Ashcroft to experience the magical evening of lighting up Whitworth at this most wonderful time of year!

We highly recommend booking your visit to Santa's Grotto in advance to avoid disappointment as spaces are limited. To book your visit, either scan this QR code or book via the Whitworth Town Council website.

We would like to thank everyone who took part in the card colouring competition and congratulate those who won. All the entries that were submitted were impressive and the Mayor of Whitworth, Councillor Janet Whitehead had a difficult decision choosing the winners. Commiserations to those who were unsuccessful this year. However, there will be another chance to take part next year!

## CHRISTMAS CRAFT EXTRAVAGANZA!

Whitworth Town Council's Tourism and Leisure Committee have been getting in the Christmas spirit planning the Christmas Celebrations. Following the success of previous years' workshops, the volunteers have decided to do it all again!

The original wreath making idea was the brainchild of volunteer member Linda Parker to recycle the Christmas tree offcuts the group produce. The event takes place on Saturday 6th December at The Ashcroft from 10am until 3.30pm. Crafters can choose between learning the art of Ukrainian egg decorating (£10pp) or making their own Christmas crackers (£5pp) from 10am until 12pm and there will be the now-traditional wreath-making workshop (£20pp) from 1pm until 3:30pm.

Everything will be provided to make a Ukrainian decorated egg, and attendees can personalise their Christmas crackers by bringing their own gifts for inside the crackers if they wish. Traditional, natural materials will be provided for the wreaths, although attendees are welcome to bring along decorations to customise their wreaths to their own colour scheme. Guests will receive tea, coffee, juice and a mince pie and be entertained by Christmas tunes while they craft. The bar will also be open for those wanting to enjoy some traditional mulled wine or speciality coffee.

Places are limited so book now to avoid disappointment! Please note that the Christmas cracker making is suitable from those aged 5 and above and Ukrainian egg decorating for those aged 12 and above. All under 16s will need to be accompanied by a responsible adult.

## WHITWORTH COMMUNITY CAROL SERVICE

A highlight in the festive calendar is the Whitworth Community Carol Service. Last year's service saw the main hall at The Ashcroft filled with residents of all ages, enjoying the performances by local schools, Whitworth Community Choir and our award-winning Whitworth Vale and Healey Brass Band.

Taking place on Monday, 8th December at 7pm at The Ashcroft, this event is free for all residents to attend, and complimentary teas, coffees and mince pies will be available after the service. This year the service will be hosted by Reverend Laura Brincombe, with readings from Whitworth Town Councillors. Please come along and enjoy the beautiful voices of Whitworth Community Choir, our incredible local school choirs and of course, the fantastic Whitworth Vale and Healey Brass Band. The night is guaranteed to get you in the festive spirit and is certainly a favourite event of all of us here at Whitworth Town Council.

## SANTA CLAUS IS COMING TO TOWN

Once again, the TLC have arranged for Father Christmas to take some time out from his very busy schedule to visit Whitworth and district in December. He will be sledding through the town in his custom-built 4-wheel drive sleigh on Saturday the 13th and Sunday the 14th of December, between 6 and 8pm. His main route will be between Healey and Britannia. Due to the good behaviour of the boys and girls last year at Bacup

Town Centre, the committee has agreed to make this extra stop once again. Santa will be calling at most of the residential areas of Whitworth as he travels around, driving slowly to allow families to wave as he passes by. It would be impossible to cover every single street, but the volunteers have worked hard to ensure that you won't have far to go to see him drive by.

Residents are encouraged to come out and meet Father Christmas as he makes short stops at allocated points and Santa's helpers will be handing out sweets at the allocated stops. The sleigh will also stop at local businesses, including The Birches, The Ashcroft and Lobden Golf Club. Father Christmas is excited to see everyone out and waving this year and joining in the festivities. Anyone wanting to request a mention from Father Christmas on the night, please email [whitworthtclc@gmail.com](mailto:whitworthtclc@gmail.com) by Thursday 11th December and state which Santa stop you will be waiting at.

Unfortunately, because Santa's Elves want to visit as many kids on the night as possible, they are still working on the routes and deciding on stops. Please visit Whitworth Town Council's website for updates on the route.

## SKYLINE 2026

Skyline 11 is booked in for Sunday 24th May 2026. It will be a clockwise route this time which is a trek up Rooley Moor Road. However, this means there is the option of the Skyline Sunday Stroll of 3 miles to the start of Rooley Moor Road or the Western Skyline ending after 9 miles at Britannia.

If you are interested in helping out, please contact Christopher Rothwell on 07846 107922 or [cjrothwell@hotmail.com](mailto:cjrothwell@hotmail.com). This is his first year taking over the reins from Jo Furtado and perhaps you all agree he has some pretty big boots to fill, so any support for him would be greatly appreciated.

## DUCK RACE

Whitworth's Annual New Year's Day Duck Race has become an egg-citing success and a popular event in the Whitworth calendar. The ducks take to the water at Cowm Reservoir, Tong Lane on New Year's Day at 1pm.

For those unfamiliar with the concept, numbered ducks sponsored for a pound are entered into the Duck Race. The prize money this year is £150, £125 and £100 for first, second and third place ducks. Even the last duck wins £25!! You will find sponsor sheets in many of our local shops and businesses, or you can purchase online via Whitworth Town Council's website. Results will be announced at the end of the race, and the winners will be contacted to arrange distribution of prizes. You can sponsor as many ducks as you want with all proceeds raised going to community events in Whitworth. There are 2,500 ducks to be sponsored this year, however they are selling fast so get in early for a chance to win!

Hot drinks will be available to buy on the day from Charlie's Coffee, so come along and celebrate the New Year by supporting this incredibly popular event.

For more information regarding the Duck Race, visit the Tourism and Leisure Committee's page on Facebook.

## LIGHTHOUSE COMMUNITY FOODSHARE

Community support for the work of the Lighthouse is a constant source of amazement for them. This year, they again received the Harvest Festival collections from almost all the schools and churches in Whitworth. This is hugely valued as it helps supply them through to the next influx of donations at Christmas.

The Lighthouse celebrated its fifth anniversary in September and during this time they have fulfilled around 17,500 appointments, mostly to local people. They remain entirely run by volunteers, all committed to providing food and more to people with the courage to ask for help. They currently have over 100 clients accessing their service, most with families. A record number even though they have had to turn some people away because they live further away than the 4-mile limit they had to impose this year. Sadly, there are no signs of the demand reducing and the challenge of operating their service is sometimes overwhelming. Though they have over 60 volunteers only 25 of them serve in the foodshare and of these a committee of 9 volunteers manage the service. More volunteers are desperately needed to continue operating into next year.

## ENVIRONMENT AND WILDLIFE COMMITTEE

### Owls

Whitworth's owl species, include the Tawny Owl, Barn Owl and Little Owl, live in various habitats including woodlands and moorlands.

**Tawny Owl:** This owl can be heard calling twit twoo, which is actually a male and female duet. They frequent wooded areas, including around workplaces.

**Barn Owl:** Recognisable by its heart-shaped white face, this owl hunts at dusk and dawn over grasslands and fields. Lancashire is a stronghold for this species.

**Little Owl:** This is a small, non-native owl. It often hunts from veteran trees along old hedgerows.

### How we can protect owls

- Let hedges grow taller and leave some areas wild to support the small mammals that owls eat.
- Avoid using rat poison, as it can poison the owls that eat poisoned rodents. If you must use poison, get advice on wildlife-friendly options.
- Remove or secure soccer nets when not in use, especially at night, as they can entangle owls.
- Install owl nest boxes but ensure they are correctly sited.
- During construction or tree pruning, check for nests beforehand to avoid disturbing them.
- Object to rural developments that could damage owl habitats.

## WHITWORTH COMMUNITY GALLERIES

Currently (until Nov 14th) the Leisure Centre Gallery has material from Whitworth Tourism and Leisure Committee, centred on the Rushcart and upcoming events. That will be followed (until Dec 5th) by an exhibition of photos from Whitworth Heritage Museum, featuring some of the many domestic items in their collection on North Street. Then, over the Christmas/New Year period it's over to Our Lady and St Anselm School, with Tonacliffe School taking up the baton on Jan. 9.

Meanwhile, at the Library, you've just time to catch Mike Burgess's splendid photos of Whitworth Wildlife 2024-25, with the three exhibitions listed above transferring from the Leisure Centre on those given dates.

If your local group, or you personally, would like to exhibit, please contact Jo Furtado on 07813 180748 or jofurtado@hotmail.co.uk. Some summer slots are still available.

## WHITWORTH MUSEUM – FROM THE COLLECTION

Wilkinson Empire 7-Day Safety Razor

These days, most will use an electric razor or one of the many multi-blade types of 'wet' razor now on the market for the daily shave. But in about 1930, the Wilkinson Sword Company brought out its 'Empire 7-Day Safety Razor Set'. At that time, this was a significant development on the traditional cut-throat razor.

The Empire 7 was a safety razor with seven individually marked blades, one for each day of week. The depth or cutting action of the blade could be adjusted and was designed to be 'stropped' to a super fine edge immediately before use. The earliest models were contained in a wooden box, but later a metal box, offered in either silver or gilt was introduced. The lid of the box had art deco tooling and the interior was finished off with a felt and silk lining. A blue lining was deemed appropriate for the silver box with red for the gilt. As can be seen, the museum's exhibit has a gilt box with red lining.

Whitworth Museum, located in North Street, is open to the public each Saturday between 11.00am – 4.00pm throughout the year and at other times by appointment.

## THE WORD PUZZLE PAGE OLD ENGLISH RIDDLES...

Wordplay has been a human amusement for a long time.

A thousand years ago, in a time when few could write (so evidence of people's thought-processes is very thin) there was a tradition in this country of riddling. Some of these **Old English riddles** were written down by monks, and are preserved in a collection of a mere 131 pages of manuscript known as The Exeter Book.

This collection was bequeathed to Exeter Cathedral by Leofric, its first Bishop. He designated it as .i. mycel engisc boc be gehwilcum thingum on leothwisan geworht, which means "one large book in English about various subjects rendered in verse" – which is a truthful title, if not especially catchy.

Most of the poems are expressly religious, as you might expect, but amongst them are 95 riddles, only some of which could be described as religious – indeed some are downright rude.

Some of these riddles, like the ones we'll print in your WVN (modern English courtesy of a scholar called Kevin Crossley-Holland) are lovely meditations, full of wonder, on a range of human existence, hiding objects and experiences, sometimes special, sometimes everyday, in a concealing web of thought-provoking language. The test, as with any riddle, is to work out what's being described.

So, think yourself back a thousand years, to a time when most of us were peasants, working on the land, surrounded by the natural world, with fewer people, simple distractions, a hard, down-to-earth, very quiet life - except in times of war (think, Vikings).

Try this one, where the subject speaks for itself: it's not too difficult, given the hints above...

*I'm by nature solitary, scarred by iron and wounded by sword, weary of battle.  
I often see the face of war, and fight hateful enemies – yet I hold no hope of  
help being brought to me in battle before I'm cut to pieces and perish.  
At the city wall sharp-edged swords, skilfully forged in the flame by smiths,  
bite deeply into me. I must await an even more fearsome encounter – no  
chance of me finding a physician on the battlefield, one of those men who  
heal wounds with herbs.  
My sword wounds gape wide, and wider - death blows are dealt me by day  
and by night.*

... And **WORDFINDER**

Have you come across the very tasty COLIN the CATERPILLAR?

Try making words of 3 letters or more, using just the letters of each of those words. (Full rules in Autumn 2025 edition). Aim for 7 from COLIN (8 with a very Whitworth word): you might zoom past 100 from CATERPILLAR.

## WHITWORTH MEMORIAL GARDENS

Everyone here at Whitworth Town Council would like to thank the amazing volunteers who, yet again, came together to ensure that Whitworth Memorial Gardens looked its best for this year's Remembrance Sunday commemorations. As ever, it was great to see such a great attendance for the service, and we'd like to thank everyone involved in bringing the community together to rightly honour the men and women who gave so much for all of our futures.

The volunteers who make up Whitworth In Bloom, as well as maintaining the Memorial Gardens, also keep Whitworth looking blooming lovely at sites such as Whitworth Library, Whitworth Cemetery, Healey Corner and Britannia. They would however love new volunteers to come forward to help them with weeding and planting across Whitworth. Volunteers don't need any particular experience of gardening, just a willingness to get stuck in, and all tools and guidance will be provided. Volunteering is a great way of improving residents' physical and mental health and also helps people to achieve a real sense of pride in their community.

Informal enquiries are welcomed by contacting Cllr Janet Whitehead at [cllr.j.whitehead@whitworth.gov.uk](mailto:cllr.j.whitehead@whitworth.gov.uk) or by phoning 07795 577647 or by contacting the Town Council office by email at [info@whitworth.gov.uk](mailto:info@whitworth.gov.uk) or by phoning 01706 852018.

## WHITWORTH MEN'S SHED

As last year, the Shed will be represented at most of the Christmas community events and fairs taking place within the Valley. Look out for the Men's Shed stall and take a look at its range of festive products, many new for 2025. Also available will be the range of traditional garden products with demand for bird tables and nest boxes being particularly strong. These items are often available from stock or, in the case of the larger items, made to order.

Recently, the Shed's music group, consisting mainly of guitar players, has been in big demand with local organisations over the summer period and further 'gigs' have been booked for the festive season.

The Shed continues to be well supported by local businesses with some helping out with both materials and services.

The Shed hosts two drop-in sessions each week, Wednesday morning and Friday morning. Both sessions run from 10am - 12 noon and are open to all men aged 45 years and upwards. Just come along; newcomers are always welcome.

For more information about the activities of the Shed see the website, visit the Shed at 6 Milner Street, Whitworth, OL12 8RQ, or phone 07746 702389.

## WHITWORTH LEISURE CENTRE NEWS!

It's finally here! Our gym refurbishment is now complete, with new flooring and state-of-the-art cardio and strength equipment, for a full body workout experience. We have two qualified, experienced gym instructors on site, so if you need any help - just ask! If you're a complete beginner, you can book in for an induction session, where one of our team will provide you with a fitness programme to get you going.

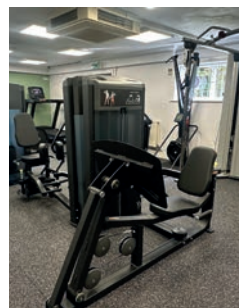

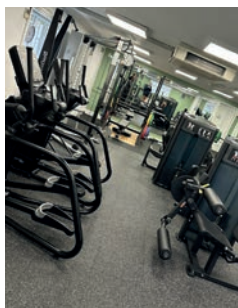

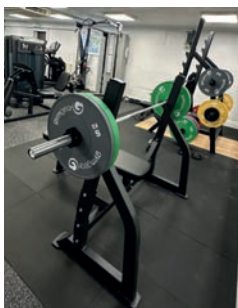

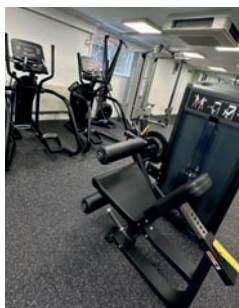

The gym is open from 6.30am - 9pm every weekday, with reduced hours at the weekend. Plus, we have a full programme of classes in our studio to suit all ages and abilities, and our supervised junior gym sessions will be coming soon. Gold Membership is only £36 a month, which gives you access to the gym, all classes and, of course, the pool. If you take out an annual membership, it's only £360, which gives you two months free - and we offer 10% off for over 60s, students and Blue Light card holders. The best place to see up-to-date information about classes and events is to check our Facebook page - Whitworth Leisure Centre CIC.

In other news, we have recently converted to charity status, so you'll soon see the CIC being dropped from our name - watch this space for some exciting new developments!

If you are a Co-op member and have the Co-op app, please vote for us! The Leisure Centre is one of three local causes included in the Co-op's current fundraising programme, and the more votes we get, the more money we could receive. We will be using any money raised to start a table tennis club at the centre - hopefully, something else for the community, young and old, to get involved in.

We look forward to seeing you soon!

## CANCER RESEARCH UK WHITWORTH LOCAL COMMITTEE

The committee have been really busy recently. The Golf Tournament at Lobden raised £677 and the Afternoon Tea at the same venue raised £774. Many thanks to Arnold Ashworth for his organisation and to all who supported the events and donated raffle prizes, Carol for her talk regarding the work of TUSC and of course Lobden for their usual support. The meal at The Swan raised £1008, a fantastic amount for our first function there. Thanks to all who attended, donated prizes and to Shah and all staff for their support.

A small group from the committee visited the Paterson institute Cancer Research centre at the Christie to look at some of the work being undertaken with the equipment the monies raised goes towards funding. They were also advised of some of the excellent success with a new screening program that had ensured early detection of lung cancer.

The next event will be a meal at the Rose and Bowl on 27th November tickets £22 and this is followed by the Annual Carol Concert with Whitworth Band tickets priced £10. Tickets for both available from numbers below. At the concert the guest scientist from the Paterson will be presented with the cheque for £22,500 which has been raised for the latest piece of equipment. Those present will also be advised of the advances being made with the support from funds raised. Always an informative and interesting listen.

The group would like to thank everyone for their continued support this year and wish you all a Merry Christmas and Happy New Year.

If you would like to attend any event learn more about what the committee do or even join the group please contact Michael Whitby on 01706 852316 or Elaine Bagshaw on 01706 853935.

## COMMUNITY PARTNERSHIP

Community Partnerships are informal groups bringing together local residents, community representatives, Borough and County Councillors, Rossendale Borough Council, Lancashire Police and Together Housing. There are four Partnerships in Rossendale, covering Haslingden, Rawtenstall, Bacup, and Whitworth.

Their aim is to strengthen engagement and collaboration at a community level. Each area has its own character, challenges, and strong sense of identity, which guide the work of the Partnerships. They have successfully built local connections, influenced services, and created valued opportunities for networking and information sharing.

Each Partnership meets three times a year in an informal setting, chaired by a Borough Councillor. Meetings focus on discussion, updates, and agreed actions, with informal notes recorded. Local residents are welcome to attend their area's meetings. The next meeting in Whitworth is on 27th January at 6:30pm at Healey Care, Holt Mill, Lloyd Street, Whitworth. OL12 8AA.

Community Partnerships can give grants of up to £150 to local community and voluntary groups that can provide added value to the residents of the Borough.
