# MESSAGE FROM THE MAYOR

## Dear Whitworth Residents and Friends,

We've had an eventful Winter, with lots going on in Whitworth.

It was a great privilege to bestow the title of Honorary Townsman upon Councillor Alan Neal, who has been serving this community for nearly four decades now. We all appreciate your dedication to Whitworth, Cllr Neal (full details on page 7). We also saw the appointment of a new Town Councillor, welcome Cllr Scott Smith. Scott, as some of you will know, has been an active councillor locally for some time and already represents Whitworth on both RBC and LCC. Also, Cllr Sarah Rhodes has kindly agreed to take over from Cllr Kim as Deputy Mayor - please join me in congratulating Sarah and supporting her in her new role. She recently stood in for me as Chair and did a sterling job. I'd like to thank Cllr Kim for all her hard work while she was in the role.

We also had the floods, where several local businesses and residents were impacted. Due to the nature of the floods, conversations have been had with the Environment Agency, United Utilities, LCC and the Flood Forum. My thoughts are with those affected and plans are underway to put protective measures in place.

Whitworth's Environmental and Wildlife Committee was established in the late summer. On this Town Council Committee both councillors and experienced and passionate members of the public aim to proactively address some of the local activities and their impacts on our local ecology and beautiful surroundings.

They, along with the Town Council and other agencies, will be looking into the impact of the proposed Scout Moor II windfarm planned recently by Cubico. The wind farm project is still in consultancy phase, with lots of opinions for and against from the residents of Whitworth and wider region. I would highly recommend that you research as much as you can about this as it will impact us for generations to come and needs to be taken seriously. There will be a second public consultation held at the Ashcroft soon and I would also encourage you attend that if you can.

To end with something positive - Valley Thai Boxing have the upcoming World Championships coming up soon, and over 12 of our talented local fighters will be representing Team GB over in Thailand in the spring (see page 17). Please join me in wishing them all the best and let's hope they bring back even more medals and victories to Whitworth!

Take care and look after each other.

**Councillor Gareth Baron, Mayor of Whitworth**

## TOURISM & LEISURE COMMITTEE

It was a very busy December for the hard-working volunteers who make up Whitworth's Tourism and Leisure Committee.

### CHRISTMAS CRAFT EXTRAVAGANZA

As well as hosting their ever-popular wreath making workshop, the volunteers branched out this year and added 2 extra workshops – Ukrainian Egg Decorating and Christmas Cracker Making. A lovely day of festive fun was had by all who attended, and the Committee enjoyed seeing the smiles on the faces of all who came. With Christmas music playing in the background and complimentary refreshments, it was the perfect start to their Christmas schedule. The Committee would like to give a special thanks to Lindsay Fairhurst, Janis Rielly and Pat Myers for their additional help on the day.

### CHRISTMAS TREES ON BRACKETS

This year the Committee sold 80 Christmas trees which were installed the length and breadth of Whitworth. Once again, thanks to everyone who ordered one-you really did help to make Whitworth such a welcoming, festive place to be! A special thank you to Les Hirst, Steve Parker and their helper elves who work so hard to make this event work.

### SANTA EXPRESS

Despite some pesky weather conditions, Santa returned to Whitworth via the Santa Express. Thanks to everyone who attended, and the Committee hopes you all enjoyed this wonderfully fun event in the Committee's calendar. It was lovely to have the Mayor of Whitworth wave off Santa on the Saturday night and the Mayor and Deputy Mayor of Rossendale welcome him to Bacup Town Centre on the Sunday night. And thanks so much to Santa for taking time out from his busy December schedule to come and visit Whitworth.

**THE WORLD-FAMOUS WHITWORTH NEW YEAR'S DAY DUCK RACE**

As ever, the TLC like to kick-off the beginning of the year with their New Year's Day Duck Race. An eggs-ellent 3,000 yellow ducks were launched down the overflow from Cowm Reservoir, raising funds for future community events in Whitworth. Thanks to everyone who came out to watch, despite the wind and rain! This event really does put the "fun" into "fundraising" and helps to finance the TLC's upcoming events.

**WOULD YOU LIKE TO JOIN THE COMMITTEE?**

These events can only go ahead thanks to a team of incredible volunteers who come up with the ideas for, assist with the organising of, and support the events on the day. It can be hard work, but it is also a lot of fun!

If you are interested in joining the committee, then please contact Cllr Mike Royds (Chair of the Committee) on 07811 994458 or Rachel, Town Clerk, on 01706 852018 (Mon-Fri 9.30am to 2pm).

The TLC have about 8 planning meetings a year where all the year's events are planned and discussed. 2025 events so far include an 80th anniversary of VE Day event in May, the Whitworth Rushcart in September and of course, their busy range of December events.

**UPCOMING EVENTS**

**WHITWORTH EASTER TRAIL**

Plans are in hand for an Easter Trail across Whitworth. This free event will start on Saturday 5th April and be open until Thursday 17th April. Suitable for all ages, the idea is simple:

**Scan** the QR code for a series of maps (maps will go live on Friday 4th April)

**Visit** the area indicated by  to find a letter.

**Put** the letters together to spell out an Easter phrase.

Bring the phrase to the Town Council office by 11am on Thursday 17th April to enter a prize draw. This will take place at the end of The Ashcroft's coffee morning on the 17th April and 6 lucky winners selected at random will receive an Easter gift bag. All entries received at the Town Council office will also receive a treat. The TLC hope this free trail will be fun for Whitworth's intrepid explorers to take part in during the school Easter holidays.

## HONORARY TOWNSMEN

The greatest honour that Whitworth Town Council can bestow on an individual is to nominate them to be an Honorary Townsman on Whitworth. The first Honorary Townsman was Herr Oskar Böhm, from Kandel – Whitworth's twin town- and that title has only been bestowed on twelve individuals since 1980. In 2024, two local individuals were nominated for the honour, with council unanimous in their nomination due to the long service of these two locals.

### COUNCILLOR ALAN NEAL

Councillor Alan Neal was nominated to become an Honorary Townsman in September 2024 by Councillor Tom Aldred who considered that "I cannot think of anyone that is more deserving of this prestigious accolade" quoting Councillor Neal's 37 years serving the people of Whitworth as a councillor.

Cllr Neal stated it was a great honour which had been bestowed upon him, which had agreed to accept on behalf of his family and the people of Whitworth, without whom none of this would have been made possible. A celebration was held in November at The Ashcroft (Civic Hall) attended by the Mayors of Rossendale and Whitworth, with invited guests. Despite the inclement weather, residents came out in force to show their appreciation for Councillor Neal's dedication to Whitworth and enjoyed tea and cake, whilst being entertained by fantastic local vocalist Leah Fisher.

### MR ARNOLD ASHWORTH BME

Cllr Janet Whithead nominated Mr Arnold Ashworth BME to be an Honorary Townsman in December 2024 citing "Arnold has given a great service not only to Cancer Research but to the people of Whitworth for over 60 years and is well deserving of being recognised by Whitworth with this honour". She explained that Arnold's dedication to Whitworth Amateur Dramatics and his incredible fundraising for Whitworth's Cancer Research Committee made him a more than worthy candidate for such an honour. Plans are currently in progress with Arnold to celebrate this award.

## POPPIES AT THE MEMORIAL GARDENS.

Nowadays, the Memorial Gardens provide a place for reflection and relaxation, all the while reminding us of the sacrifices made in combat. This is further enhanced by the addition of the poppies on the railings. The Poppy and Me project was introduced in 2023 by local lady and army vet Jemma Harden who worked hard with members of the town's Tourism and Leisure Committee to make it happen. The 457 poppies represent all the British servicemen who lost their lives during the conflict in Afghanistan. The poppies were made by local firm, BCH, free of charge, then painted by Dean O'Loughlin of Triple-7-Refurbs. They were then installed by Jemma, Cllr David Chorlton, Cllr Mike Royds and volunteers Clive Morton, Mark Ambrose and Steve Parker. This is yet another cooperative venture that Whitworth can be proud of.

Last year, three new colours of poppies were added by the main gates: black to represent the Black and Caribbean troops; purple to commemorate the animals who died in conflict and white to symbolise civilians as well as combatants who died in times of war. Poppies can still be sponsored through the town council for a minimum donation of £20 with all profits going to the Royal British Legion.

## PROTECT WHITWORTH'S WILDLIFE

Wildlife protection contributes to a healthier planet, enhanced ecological sustainability, and beneficial coexistence between humans and nature.

Are **you** ready to act? The **Environment and Wildlife Committee** encourages these ways to protect wildlife:

1. **Sustainable land use practices** – including reducing pollution, minimising disturbance, and avoiding activities that disrupt natural ecosystems e.g. not littering and keeping dogs on leads
2. **Public education and awareness** – to develop responsibility and stewardship, encouraging everyone to protect wildlife and habitats e.g. hedgehog conservation
3. **Research and monitoring** – by monitoring the status and trends of wildlife populations, essential for effective conservation management e.g. RSPB bird counts
4. **Creating wildlife areas** – by investing in nature-based projects or making our homes wildlife-friendly habitats, we provide safe refuges for birds, butterflies, bees and other species whilst also promoting biodiversity
5. **Tree planting** - trees offer food, shelter and breeding grounds for many species and help to offset the carbon emissions of human activities
6. **Recycling** – reducing demand for new products, and carbon offsetting by lowering waste in landfills and incinerators, both large sources of carbon emissions
7. **Conserving natural habitats** - such as wetlands or woods, to protect land from development and other human activities that can disturb the ecology

## SKYLINE 10

Skyline 10 will take place on Sunday May 18. The route this year will run anticlockwise, which means we have a reasonably flat start, but finish with a half-mile climb back up to the Golf Club. The full walk is, as ever, 14 miles long (a proper challenge, to be taken seriously), but there will be the usual shorter option for those for whom that is too much of a challenge: the Eastern Skyline to Britannia is 5 miles long. Because it's our tenth walk there will this year be a dress code – please wear something visibly blue!

Entry forms will appear in all sorts of locations at the start of April, and we intend to offer an online entry. Paper forms can be returned with fee to Seasons, the Council Office, and the Leisure Centre. How to enter online will be explained when you've scanned the QR code. Entry fees this year will be £5 for the full Skyline or £3 for the Eastern, but they go up to £7/£4 if you enter after Thursday May 15 or on the day. You'll need to register at the Golf Club between 7.45 and 9am (no later please), then off you go, at your own pace, on your chosen challenge. Every walker gets a (small) meal at the end, though if you're walking the Eastern you'll need to organise yourself a lift to get back up there. Please note that, as in previous years, no dogs are to take part in the Skyline walk. And, after last year's postponement, fingers crossed, please, for trek-friendly weather.

If anyone would like to be part of the event, but doesn't want to walk, Skyline always needs marshals, and backmarkers (which does involve a couple of miles of slow walking). If either of those appeal please speak to Jo Furtado on 07813 180748 asap.

## COULD YOU RECEIVE OVER £5,600?

Attendance Allowance is a benefit for those in receipt of a State Pension. If you have some challenges with moving around, someone else supports you to get washed or dressed or you are struggling with your memory, then you may qualify. Even if you can manage your personal care yourself but it takes you a long time, or it hurts, you may still be eligible. These are just a few examples. It is tax free and does not have any impact on other benefits you may receive. You cannot receive Attendance Allowance if you are receiving PIP/DLA.

Millcare come to your own home to complete the process which removes the challenges for some people where leaving the house can be difficult. If the application is successful, the highest rate is currently £434.20 every 28 days which is £5644.60 per annum.

Millcare have won business of the year twice in the last 4 years and have claimed over £14 million for people across the UK with a 100% success rate. If you are unsure if you will qualify, just pick up the phone for a chat - 01706 482002.

## WHITWORTH MUSEUM

DK53 - Whitworth's First Car

Whitworth's first car was registered in Rochdale around 1905 and took to the road with the designation DK53. This vehicle was unusual in a number of ways but principally because it was 'home-built' in a small garage at Broadley by draughtsman and science teacher Grindrod Kershaw.

Unfortunately, firm technical details are unavailable but the car did have very light wire-spoked wheels with solid tyres. Suspension was provided by half-elliptical leaf springs front and rear. Although there is what appears to be a plain tube front mounted radiator, fluting under the seat suggests the presence of a rear mounted engine. Brakes were on the rear wheels only and applied by a hand lever. It is difficult to be certain but the drive was probably provided to the rear wheels by a chain and sprocket arrangement. There is no evidence of lights of any kind.

Sadly, it is not possible to say what happened to this machine but, at some point, it appears the registration DK53 was transferred to another car also owned by Grindrod; what seems to be a much more sophisticated vehicle of 1903/04 vintage, possibly Renault or De Dion-Bouton.

Whitworth Museum is open each Saturday 11.00am – 4.00pm

## PARLIAMENT WEEK

In November 2024, Whitworth Town Councillors were very pleased to welcome some very interested children from Our Lady and Saint Anselm's Roman Catholic Primary School, as part of Parliament Week, to the council chamber. Cllr Gareth Baron, Mayor of Whitworth, and several other town councillors fielded questions from the youngsters including what the role of a councillor is and what the best/hardest parts of the position are.

The councillors very much enjoyed seeing how interested the school children were in Whitworth Town Council and we hope the children had as much fun as much as we did!

## ANNUAL MEETING OF THE PARISH

Every English town or parish must hold an **Annual Meeting of the Parish** for electors registered in the area. This year, Whitworth's Annual Meeting of the Parish takes place on Thursday 8th May at 7:30pm, at The Ashcroft. The meeting will be quorate (legal) if just two electors are present. Although chaired by the Mayor, this is not a council meeting. It is a meeting for all Whitworth people to get an overview of what is currently happening in the town, looking at the work of various organisations serving Whitworth, and offering electors the opportunity to raise queries and make observations. It is usually over within the hour or so, so why not come along, everyone is welcome. See you there!

For more information, contact Rachel Hodson, Town Clerk on 01706 852018 or email [info@whitworth.gov.uk](mailto:info@whitworth.gov.uk)

## WHITWORTH LEISURE CENTRE

You'll be aware by now that **Whitworth Leisure Centre** is now fully open. If you are someone who came along to the celebratory official opening on February 9 you'll know exactly what's on offer there now, because you'll probably have taken up the invitation to try a few things out.

For those who couldn't make it... obviously there's the **pool**, with its new air-handling unit installed to deal with the condensation issues, and lots of water activities from lessons to aqua tai chi, from family fun sessions and adult-only slots to floating soundbaths and low-lit swims! And the wonderful Whitworth Swimming Club on a Tuesday evening. Then there's the **gym**, open a full year now, and open every weekday from early morning, for those who crave a pre-work workout, to late evening. Whenever the LC is open, so is the **café** area – and you don't have to be swimming or gym-ing to enjoy a coffee or browse the gallery. Now there's the new **studio**, with a variety of movement and fitness classes – Pilates, spinning, fitness sessions, with more to come. That room is available to hire for children's **parties** too.

Exact times are published on Facebook – search for Whitworth Leisure Centre CIC, where the weekly timetable is the featured item. See the page opposite for the “standard” weekly timetable and scan the QR code for an instant check. Whenever there are changes the timetable is also updated on the LC noticeboard plus all the Town Council's village noticeboards, and at the Health Centre, Nuttall's Chemists, the Post Office, Wallbank shop, Whitworth and Bacup Libraries, Tonacliffe and SJSJ schools, Metcon, Seasons, Market Street Kitchen, Smart Cut, Ashton's Chippy and Futures Park – thanks to all those organisations for their support over the last few months.

Indeed thanks to everyone who has supported the reopening of the Leisure Centre. We all wanted it to happen, and it simply wouldn't have happened without the time, effort and generosity of so many, from Whitworth Town Council lining up alongside the CIC, local businesses getting stuck in, many volunteers offering their time, and members and others walking through the doors to make use of the place.

Now the Leisure Centre is fully operational, it's these last individuals who become critical to the ongoing success of the project. If we, as a community, can keep building the numbers who use the LC, it'll survive and thrive. We kicked up a collective fuss when it was closed, so now it's open we **need** to get behind it. Of course it'll have its imperfections, but the LC gets no regular grants from any local government organisation: **we** have to generate running costs and pay for any improvements **ourselves**.

So, have **you** visited yet? And if you have, when's your **next** visit? And will you be bringing a **friend** with you? Chances are, they'll love it as much as you!

## **SPRING FLOWER EXTRAVAGANZA AT THE ASHCROFT: SATURDAY 26TH APRIL 2025**

Whitworth will once again play host to a National Horticultural event, when the East Lancs Group of the Alpine Garden Society stage another huge Spring Flower Show at The Ashcroft on Saturday 26th April 2025.

The event will feature over 140 individual classes ranging from rare alpine gems to bulbs, dwarf conifers, hardy plants, ferns and mini gardens. The organisers hope that Whitworth folk will again be tempted by a raffle, free parking, plant sales, bar and excellent refreshments.

Open from 11 am until 3.30 pm on 26th April, entry for the general public is only £4 per person. There will be a number of superb nurseries in attendance selling a wide range of alpine and garden plants and leading exhibitors will travel from across the UK. Over the years Whitworth has rightly gained a proud reputation as 'The Friendly Show' among enthusiasts.

The East Lancashire Group still holds regular monthly meetings now at Ashday Lea in Rawtenstall and additional Zoom meetings are drawing large international audiences. New members are always warmly welcomed and encouraged.

Group Secretary, Cliff Booker, can be contacted on 01706 534626 and Show Secretary, Alan Elwell, on 07742646784.

## STRONGER TOGETHER

Have had a busy year and wish to thank their amazing volunteers, without whom the group couldn't continue to do what it does.

The group has gone to strength to strength, they were once again finalists in the Rossendale Business Awards and were honoured to be nominated for this.

They celebrated the 80th anniversary of VE Day with a well-attended fancy dress party, where lots of amazing people took part.

They took 52 people on a coach trip to Cleveleys for the day and with everyone enjoying a delicious fish and chip tea, which was delicious.

The group held a successful fundraising bingo night at The Market Street Kitchen, and also visited The Rose And Bowl for a carvery and had a fantastic time with delicious food.

In September they had happily raised enough funds to purchase a Carers Caravan. The caravan is sited on Cala Gran in Fleetwood and is available to hire.

They also had a Christmas Party with fantastic entertainment and were lucky enough to have St Bartholomew's and St Anselm's school visiting to sing for them.

On the last week before Christmas, they provided a tasty, full Christmas dinner for 85 people.

Kath and Angela would like to take the chance to say thank you to all the people and local businesses who have supported the group through the year.

### Stronger Together have exciting news for 2025 .....

Beginning in February, they will be opening on a Wednesday morning with a new venture called The Together Spot. On a monthly rolling rotation, they will be undertaking activities to get people moving with, gentle inclusive exercise, singing and a tea dance which will be taught by Sam from Samba Dancing. One of the weeks will be a drop-in session for information, advice support or just a tea and chat.

For more information, please contact Angela Forster on 07827 292951. ST look forward to seeing you all there.

## WHITWORTH TOWN COUNCIL PRECEPT 2024/2025

Whitworth Town Council has this year set a net budget of £80,082. The Council has worked hard to keep the increase in the precept to a minimum, which has been difficult in the current financial climate. Statutory wage increases and inflationary increases in office rent has meant that Council has had to take the difficult decision to increase the Precept this year.

This past year has seen some pressures on finances and significant increases in costs, but the Town Council's wise investments are still providing a healthy dividend, thanks to favourable interest rates. Employee costs include salaries for the Town Clerk (30 hours), our full-time Whitworth Town Caretaker, who makes a significant impact on the town's cleanliness, and our Parish Lengthsman, who tackles repairs and general maintenance around the town. This year the Town Council were keen to invest in a local young person and have budgeted for an apprentice to work in the Town Council office, alongside the Town Clerk.

The Valley News magazine, produced quarterly, continues to be hugely popular, and the Council's Tourism and Leisure Committee has a variety of leisure and cultural events planned for the year ahead, information about which is included on the Town Council website.

The Town Council continues to promote Whitworth as a great place to live, and lobbies hard for the best possible services for the town. It is at the forefront of tackling crime through the sponsorship of the Police Community Support Vehicle and facilitates monthly multi-agency meetings attended by all the local agencies.

To conclude, the Town Council continues to be proud of its achievements and looks forward to working with and for the people of Whitworth during the forthcoming financial year.

## WHITWORTH & DISTRICT U3A

Membership of the u3a is made up of retired and semi-retired people from the Whitworth area who wish to continue learning, make new friends and have fun. Monthly meetings are held at Hallfold United Reformed Church Hall Whitworth, on the first Wednesday of the month from 1.15 pm for refreshments and notices, followed by a monthly speaker.

**u3a** learn,  
laugh,  
live

On Wednesday 5th March our speaker will be Izabella Donohue with an interesting talk on 'The importance of restoring our Peatlands,' 2nd April will be Sue Evans talking about 'Living and teaching in the Falklands' and Wednesday 7th May our speaker will be Fran Lawson on 'Mary's Meals'.

We have 20 Interest groups currently. For insurance purposes only members can join Interest Groups. You can contact the Group Leaders for information on dates, times and venues for group activities. Lynne, our Groups Coordinator can be contacted on 07718913131

New members are welcome for an annual membership of £15 and £2 monthly meeting sub. A full list of speakers, interest groups and contact details can be found on the FB page and website [u3asites.org.uk/whitworth](http://u3asites.org.uk/whitworth).
