# MESSAGE FROM THE MAYOR

*The Mayor and Mayoress Elect of Whitworth, Councillor Alan Neal and Mrs Janet Neal*

## MESSAGE FROM THE MAYOR AND MAYORESS ELECT

Myself and my wife, Janet, are looking forward to being installed on 25th May as the next Mayor and Mayoress of Whitworth. Although we have had the privilege of being Mayor and Mayoress of Whitworth before in 1990/91 and 2003/04 we are very honoured to have been given this opportunity again. We will do our best to support events in the community from our local organisations and groups and hopefully travelling further afield to promote Whitworth and our community.

Janet and I have been married for 42 years and our two daughters, Helen and Kimberley are both married and live in the area. We have 2 granddaughters and a grandson who keep us on our toes and constantly make us smile.

I am very proud to celebrate that this year marks my 30th year as a Whitworth Town Councillor. I have also served on Rossendale Borough Council for 25 years.

During our year of office, we will be holding several fundraising events for our Mayors Charity Fund, the money raised from these will go to local organisations.

Janet and I are excited for the next twelve months and look forward to seeing as many of you as possible.

With very best wishes

Alan and Janet

*R A Neal*

## ARE YOU READY FOR SKYLINE 4 THIS SUNDAY (MAY 14)?

Yes, a whole year has gone by since Skyline 3, so de-rust the boots and the lungs and make your way up to Lobden Golf Club between 8 and 9am. If the last three years are anything to go by you'll be amongst 300+ others setting off on another 14-mile anticlockwise circle of the moors.

If you haven't entered already, there's still time (just!) to fill in a form and return it to the Leisure Centre, The Riverside, UBS or Nibbles, and if you do that on Wednesday or before it'll cost you just £3. Thursday, Friday or Saturday will cost you £5, and you will have to hand the form in only at the Leisure Centre or UBS. You can also enter on the day up at Lobden (between 8 and 9am), when again it's a fiver. No dogs, sorry, and please make sure you're well kitted out for the conditions – walking boots or the equivalent, waterproofs (at least to carry), and at least one layer of clothing more than you expect, because it's always cooler/windier up on the tops.

The walk is a challenge that takes most people between 5 and 7 hours, so bring a snack and a drink, although there will be juice/water available at all four intermediate checkpoints, and a burger van at checkpoint 2, and something hot to eat back at Lobden afterwards. Checkpoint 2 comes after 5 miles, and is vehicle-accessible, so if 14 miles sounds a bit daunting, you can opt for the Eastern Skyline, finish at Britannia, and get yourself collected. If you opt for this on your entry form it's a pound cheaper, and you'll still get your certificate - and your meal, if you go back up to the Golf Club. Come and have a scenic and invigorating day out in good company.

## WHITWORTH FAMILY FUN DAY

On Sunday 9 July, the Family Fun Day organised by the Whitworth Tourism and Leisure Committee is back! After the great success of last year's event the committee have decided to hold a dog show once again. There'll be lots of attractions including rides, stalls, live performances by local dancers, candy floss and ice cream, and even the announcement of the winner of the Scarecrow Festival. Come along, bring all the family and join in with the fun (and you never know – the sun may even shine too!). If you want to join in with the dog show then complete the entry form below and return to The Riverside with your entry fee. Alternatively, visit [www.whitworth.gov.uk](http://www.whitworth.gov.uk) or contact the Riverside on 01706 854130 for more information.

## FAMILY HISTORY

Whitworth Museum is constantly expanding its electronic and hard-copy information base, be it in the form of official and social records or photographs and other documents. Much of this information has already been used to good effect by those wishing to trace their family history both informally, just for general interest, but also by those to whom tracing the family line has developed into a passion. Of course, our records are of most use to those with family connections that link to directly to Whitworth but, we can also assist those who 'just want to make a start' but are uncertain how to do so or indeed just don't have the necessary resources.

If you have any questions relating to family history or you would like some assistance, please call in at the museum during normal opening times or contact our archivist by emailing to [archivist@whitworthhistoricalsociety.org.uk](mailto:archivist@whitworthhistoricalsociety.org.uk)

Whitworth Museum is open throughout the year on Tuesday evenings 7.30 – 9.30pm and on Saturday afternoons 2.00 – 4.00pm.

This year our annual 'Open Weekend' is taking place on 15/16th July 2017 and will, in addition to the usual attractions, focus on the theme of family history. Please make a date in your diary and come along.

## 515 YOUTH CLUB REBORN!

The youth club, open to all 11-18 year olds in Whitworth, is run by Sarah Corke and her team of volunteers from 6.30pm-9pm on a Monday night at the Scout Hut (opposite the Civic Hall). Sarah has also started an after-school club, on a Wednesdays from 3.30pm to 5.30pm, above the new gym at Anglo Family on Tong Lane. Sarah is also happy to ferry folk down to the Hebron Church on a Friday evening if they want to try the Youth Club there - which is attended by roughly 50% Christians and 50% who don't go to church.

Sarah feels she has been made so welcome in Whitworth: "Paul Dugdale, the Assistant Head Teacher at Whitworth Community High School, has brought a group down to the unit I am refurbishing at Anglo and their ideas and energy gave me such a lift. In addition, I met Gill Pearson who has been so committed to the young people who

*The opening night of Friends of Whitworth Youth attended by the Mayor of Whitworth, Councillor Madeline De Souza and the County Councillor Sean Serridge*

attend 515. She showed me around and introduced me to everyone. I am so pleased to carry on the work she has started."

Paul Dugdale commented "I have conducted a survey in the school to find pupils views of a youth club relaunching in Whitworth and over 100 said they would consider attending. I am delighted about what Sarah and her volunteers are doing".

If you want to attend or help out in any way, look up "Friends of Whitworth Youth" on Facebook or call Sarah on 07954 588335.

## THE UNIVERSITY OF THE THIRD AGE

This national organisation has been keen to set up a group in Whitworth for some time. U3A support creativity and fulfilment, offering new opportunities for retired and semi-retired folk, being an organisation which provides opportunities for informal learning in a relaxed, friendly environment, where there are no exams or degrees and activities are run by the members for the members.

The U3A believe that the key is to offer fun, enjoyment and the opportunity to do something new, with members being able to access talks, interest groups and outings in a friendly atmosphere, and offering people the chance to learn new skills, to live, to learn and to laugh. The introductory meeting took place on 5th April, at Hallfold Reformed Church hall and we think, was a resounding success, just showing how people in Whitworth are up for new challenges!

The next step will be to set up a local steering group. There will then be a meeting for everyone to set up the group in Whitworth. Look out for details in the usual local places – shops, GP surgeries, library and leisure centre.

**Come and join the U3A at the inaugural meeting on 30th June. Venue to be announced.**

## LANCASHIRE LAW

We have been contacted by a number of people about Power of Attorney applications recently and would like to take the opportunity to advise Whitworth residents that we can only execute a Power of Attorney document whilst all of the people involved have mental capacity. Once a person has lost mental capacity, and cannot understand the process of applying for a Power of Attorney, it is then too late to do it. Our fees for doing a Power of Attorney and registering it, are £225 plus VAT and the registration fee of £110.

Please note that in order to become an attorney or deputy for a family member or friend who has already lost the mental capacity to make their own decisions, an application to the Court of Protection would need to be undertaken which is very expensive with costs of sometimes over £1,000.

Our prices for Wills have remained the same as when we first began trading in 2008, which is £60 plus VAT for a single Will or £100 plus VAT for a couple making similar Wills.

Our price for an uncontested divorce with financial aspects agreed between the parties is a fixed fee of £450 plus VAT and the court fee of £550.00.

As always if you have any queries, please telephone us on  
01706 854167 or pop into the office.

## WHITWORTH GUIDES

Since Christmas the Guides have completed the Teamwork badge and are now undertaking an International Challenge badge involving crafts from other countries, Bollywood dancing and cooking quesadillas on a trangia stove. Rainbows, Brownies and Guides had a joint trip to see Beauty and the Beast at Rochdale Odeon at a special viewing for Girlguiding members.

Alex, Freya, Hope and Izzy took part in Cook Challenge along with over 100 girls from East Lancs County. They had to prepare a two-course meal on a trangia stove and it was judged for taste and presentation. Alex and Freya won Best Main Course and all the girls earned the Camp Cook badge.

A team represented Whitworth at Rossendale Division Challenge Night and undertook a series of tasks to test skill, ingenuity and teamwork such as building a tower from spaghetti and marshmallows, a blindfold trail and demonstrating their first aid skills. Ebony, Georgina, Lucy and Summer had a great time and the event was won by a team from Edenfield.

Guides are looking forward to summer activities including a weekend camp and an inflatable session at Cwm reservoir.

## WHITWORTH AND HEALEY HORTICULTURAL SOCIETY

The members have kick-started the growing season with weekly visits to the Memorial Gardens and Festival Park to tidy up and prepare the ground for the coming months. As there are plenty of community events scheduled for the next few months, it's important to keep communal areas as attractive as possible. Thankfully, there are volunteers prepared to do this but there's always plenty of room for more! So, if you want to add something to your local community, keep Whitworth looking as bright as possible and have an hour or so to spare on a Tuesday afternoon, you'd be very welcome to join the group.

There's no need for experience, and tools are provided. Please contact Christine on 01706 852613 to find out how you can make a difference.

## KEEP WHITWORTH TIDY

Thirty million tons of rubbish are collected from England's streets each year. That's enough to fill Wembley Stadium four times over! In Whitworth alone, our Town Caretaker is kept busy clearing up rubbish but we can all help to Keep Whitworth Tidy.

If every adult in Whitworth picked up just one piece of litter and put it in a bin, that would be 4000 pieces of rubbish disposed of. Imagine if everyone picked up at least one piece of litter every day for the next year?

Some people have been inspired to take action to tackle litter in Whitworth and 'Keep Whitworth Tidy' have so far held many successful litter picks and accumulated bags and bags of rubbish with the help of a team of local volunteers. Organised picks are usually held monthly on a Saturday or Sunday morning from 10am until 11am and equipment is provided.

The next litter picks are scheduled for:

**Saturday 20th May**

**Sunday 11th June**

**Saturday 15th July**

Everyone is welcome, for more information visit the facebook group 'Keep Whitworth Tidy'

## WHITWORTH TOWN COUNCIL COMMUNITY TOILET SCHEME

Whitworth Town Council has been working hard to make toilet facilities available in Whitworth on a very tight budget. In addition to the public toilets at Healey Corner, Whitworth Town Council have now teamed up with some local businesses to make more toilets available to the public throughout the length of the town at different times of the day. Currently, there are six local business' participating in the pilot scheme. These are:

**THE WATERSKI CENTRE (COWM RES)**  
**WHITWORTH MEDICAL CENTRE**  
**WHITWORTH LEISURE CENTRE**

**WHITWORTH BAND CLUB**  
**HALFWAY HOUSE**  
**BASIL'S RESTAURANT**

These business' will allow the public free use of their toilet facilities during their normal opening hours without feeling the need to make a purchase. In return, Whitworth Town Council make a financial contribution to the businesses to help them maintain their facilities to a high standard.

Contact Melanie Hearn, Town Clerk if you have a business and are interested in taking part in the scheme now or maybe in the future. Please note that the grant will be awarded on a first come, first served basis to suitable premises in each area of the town.

Should the allocation reach the full capacity in your area, your details will be put down on a waiting list to take part in the scheme in the future, subject to funding being available.

The advertisement for B2B Recruitment Limited features a photograph of an elderly woman with short, curly grey hair, wearing a blue patterned top, smiling. ## WHITWORTH LIBRARY UPDATE

At the time of writing, the Friends of Whitworth Library Group has been informed that Lancashire County Council have agreed to Whitworth Library remaining open as a satellite library. This is being challenged by local councillors and the local MP.

The government 'is mindful' to launch an inquiry into the cuts to libraries Lancashire County Council has made and is asking for comments to be addressed to:

**Ministerial Support Team,  
Dept. for Culture, Media and Sport,  
100 Parliament Street,  
London  
SW1A 2BQ**

or by email to [enquiries@culture.gov.uk](mailto:enquiries@culture.gov.uk) by 5pm on 9th June and should be entitled, 'Lancashire Library Services - Minded to Representations'.

Along with your continued support for this local amenity and the activities being held there, the Friends group would be grateful if you could find the time to express your individual concerns to the above team. We need to ensure that our voices continue to be heard.

# THE MAYOR'S AWARDS AND CELEBRATION 2017

On Saturday 8th April 2017, the Mayor of Whitworth, Councillor Madeline De Souza, hosted the first ever annual celebration and awards evening. Madeline wanted an event to celebrate the huge amount of people who contribute to the fantastic community in Whitworth.

It all took place at The Riverside (Civic Hall), Whitworth, complete with amazing décor and a red carpet and a hot buffet and featured amazing local singer and guitarist, Graham Shellard along with a special appearance from John Alexander, 'the singing jeweller'. The support was fabulous with both residents, businesses and also dignitaries from the surrounding areas in attendance. The winners were presented with a bespoke award, designed and made by local business Woodquirkz.

*The finalists of the 2017 Mayor's Awards*

Councillor Madeline De Souza, Mayor of Whitworth said "It was a great honour and privilege to be able to host such a fantastic evening and say a small thank-you to our wonderful community. I would also like to thank the local businesses who generously donated some wonderful raffle prizes and helped me to raise an amazing £856 for my Mayoral Charity on the night and thank-you to everyone who helped make the event such a success"

Thank-you to everyone who nominated and special congratulations goes to these wonderful finalists, although each and every nomination was very well deserved.

## THE NORTH WEST AIR AMBULANCE CHARITY NEEDS YOU!

The charity is currently appealing for volunteers to get on board and help raise vital funds to keep its helicopters flying.

The North West Air Ambulance Charity is your local air ambulance service. From mountains to motorways, the charity's 3 helicopters cover an area of 5,500 square miles and provides an urgent, lifesaving service to the regions residents and visitors. The service is not part of the NHS or publicly-funded emergency services and is reliant on charitable donations.

Volunteers are integral to ensuring the North West has access to a Helicopter Emergency Medical Service 7 days a week, 365 days a year. Without such support, NWAA would not be able to deliver an air ambulance service. Volunteers provide much needed support by being our presence on the ground, increasing awareness, attending fundraising events and by providing valuable skills and experience.

There are many ways to get involved including:

- Fundraising Event Volunteer – Attending local events to raise awareness and funds
- Volunteer Speaker – Delivering presentations to local groups and organisations

Just a few hours of your time can help keep our helicopters flying and saving lives in the North West.

# ANNUAL REPORT, WHITWORTH TOWN COUNCIL

**MAYOR'S OVERVIEW** - Time certainly flies when you're having fun, as they say – I can scarcely believe that it is a full twelve months since the last Annual Parish meeting. As Mayor, I have had a wonderful, fulfilling, privileged time – I've been invited to attend well over 150 events in Whitworth and further afield and have managed to get to all but one or two of them. My personal highlights include the Mayor's Annual Awards in April, it was humbling to see all the people who make fantastic contributions to our community. I have also hugely enjoyed chairing the meetings of the town council and I thank the members of the public who have also attended our meetings to raise issues or concerns.

This document as a whole details the work not just of the Town Council but of some of the organisations and charities that work tirelessly, many on a voluntary basis, to improve Whitworth and make it a great place to live. It never ceases to amaze me how a relatively small town can have so much taking place within it, and so many devoted, hard working members of the community to organise events and initiatives.

The Town Council continues to be at the fore of a variety of initiatives, many of which are detailed in this report; it continues to provide a dedicated service to the town whilst staying within its frugal spending limitations. It is through prudent financial management and much discussion and research that the Council have managed to keep the increase of the precept to a minimum with just a 1.67% rise in a difficult financial climate. Over and above core duties, the Town Council works alongside other councils and agency organisations, such as the Police and Together Housing, and with residents and businesses to get the best for our town and its residents. The Town Council often leads on these discussions and our Clerk facilitates numerous meetings throughout the year. The Town Council also continues to uphold the rights and values of the town in its role as a pressure group and a sounding board for local opinion.

Outside of the work of the Town Council, our wonderful community rallies around to make sure that there are a variety of events and initiatives taking place throughout the year. There continues to be a strong interest in sport in Whitworth and we have an enviable amount and variety of sporting and leisure activities available all year round. The Tourism and Leisure Committee and the Sports Council both continue to provide events and festivals, working with other local organisations, often on a voluntary basis. We are also extremely fortunate to have such an active voluntary sector in our town, and the Town Council sends sincere thanks to everyone who strives to make Whitworth a better place to live.

Looking ahead to the next twelve months, Councillor Alan Neal will become Mayor, I am sure that Alan will do a thorough and professional job in what will also be his 30th year as a Whitworth town councillor. There are some exciting projects ahead for Whitworth including great investment in the Spodden Valley revealed project, funded by Heritage Lottery Fund, this will celebrate our heritage and make a fantastic leisure resource for the future. In the months ahead, the Town Council will make the best of its opportunities and strengths and work its way through any challenges. The Town Council's staff and councillors, as always, remain fully committed and are looking forward to the year to come.

**INITIATIVES** - The Council is supported by Town Clerk Melanie Hearn, who works 30 hours a week as standard. The Council also contracts a Parish Lengthsman, John Leyland, for general repairs and maintenance, including attending to Public Rights of Way, mending footpaths, fences and stiles and undertaking a multitude of jobs in and around the town. The Council employs a full-time Town Caretaker which is funded in part by Rossendale Borough Council. Glen Iliff, our Town Caretaker, litter-picks targeted sites the length and breadth of the town, and reports issues and problems to the Clerk. All three maintain healthy attendance sheets.

Whitworth Town Council has been working hard to make toilet facilities available in Whitworth on a very tight budget. In addition to the public toilets at Healey Corner, Whitworth Town Council have now teamed up with some local businesses to make more toilets available to the public throughout the length of the town at different times of the day. Currently, there are six local business' participating in the pilot scheme. These business' will allow the public free use of their toilet facilities during their normal opening hours without feeling the need to make a purchase. In return, Whitworth Town Council make a financial contribution to the businesses to help them maintain their facilities to a high standard.

The Town Council's newly improved **website**, [www.whitworth.gov.uk](http://www.whitworth.gov.uk), is well used and an asset to the Council. The site aims to be a one-stop-shop for Whitworth information for residents and visitors, and is updated by the Town Clerk. The Town Council has, this year, secured funding, through Living Well Living Better to make even more improvements to the current website. The result will be a central Whitworth events calendar and business directory providing local organisations with free promotion and making it easier for residents and visitors to plan their leisure time in Whitworth. The Town Council also makes good use of social media; its Facebook page is regularly contributed to.

The **Horticultural Society** continues to do a wonderful job ensuring the town looks its blooming best. The Society works proactively with the Town, Borough and County councils, and is financially supported in part by the Town Council – a good illustration of the Council interacting with the community. The volunteers tend to flowerbeds and the planter boxes provided by Northern Joinery Ltd.

The Town Council-produced quarterly **Whitworth Valley News** magazine continues to be a very popular read, receiving editorial contributions from a wide variety of organisations and featuring 62 paying advertisers. It involves a significant amount of work for the Clerk but is very well received and ensures all in Whitworth are up-to-date with town news and developments. It is hand-delivered to all households by the Sports Council volunteers.

The Town Council contributes towards the fight against crime with the continued sponsorship of the Whitworth community police car, which has proved invaluable to the local constabulary, and which the Town Council recently has currently committed to support for a further two years.

The Town Council works in partnership with Rossendale and Lancashire Councils and other local organisations including Lancashire Police and Green Vale Homes to provide the best possible services for the Whitworth community. To give examples, the Town Council facilitates monthly Multi-Agency meetings, where representatives of all the main agencies come together to tackle issues in the town. The Town Council continues to take a pro-active approach to tackling the issue of litter and uncollected dog-mess, supporting the legislative work undertaken by the Borough Council, issuing further letters to residents around particular 'grot-spot' areas. The Town Council continue to use initiatives like a pavement stencil and accompanying signage in hot spot areas (in partnership with the Borough Council) and stickers issued to homes and businesses requesting people pick up their dog mess.

The Town Council's **Tourism and Leisure Committee**, featuring councillor and non-councillor members, organises or part-organises a large number of events annually – this past year's offer has included the Rushcart, Christmas Lights Switch On, New Year's Duck Race, St George Celebrations, Family Fun Day and the Whitworth Calendar, which sold 250 copies. The Committee is currently working on all these projects again, along with the seventh Whitworth Scarecrow Festival which takes place in early summer. Additionally, the Town Council itself is responsible for organising Whitworth's Remembrance Sunday commemorations and the Community Carol Service (see below). All these events serve to preserve and strengthen the town's identity and provide a solid sense of community and civic pride. The new event this year was the Mayor's Annual Awards Celebration which allowed the Town Council to thank some of the individuals, organisations and businesses who really contribute to our sense of community.

Comprising town councillors and representatives of local sporting organisations, the **Whitworth Sports Council** continues to flourish, and plans for the 2017 Sports Festival are well underway.

Since 2007, Whitworth Town Council has held **Quality Status**, a nationally recognised quality benchmark for parish and town councils. This has now been replaced by the Local Council Award Scheme, which celebrates the successes of the best local councils, and provides a framework to support these councils to improve and develop to meet their full potential. It encourages progression by including three award levels: Foundation, Quality and Quality Gold – Whitworth Town Council has successfully achieved the Foundation level and is now working towards its Quality level.

**TOWN TWINNING** - Whitworth has been twinned with Kandel for over 50 years this year and the friendship between the towns continues - during August 2016 a delegation from Whitworth visited Kandel for seven days, staying with Kandel families and enjoying a programme of activities in and around the Kandel area.

Cllrs Aldred and Mellor are instrumental in keeping the twinning alive, and thanks are due to them for their continued work; if you wish to get involved with Town Twinning in Whitworth please contact them.

**CIVIC EVENTS** - 2016's municipal year began as always with **Mayor-Making** held at the Riverside, followed by Civic Sunday at St Anselm's Church. Rev Father Frank Thorpe has acted as Mayoral Chaplain this year and many thanks are offered to him for his support. As always, the Town Council-organised **Remembrance Sunday commemorations** were extremely well attended. **The Community Carol Service** at the Riverside was led by Rev Father Frank Thorpe and was a very popular event; the junior band did a sterling job accompanying the carols and a joyful, festive time was had by all. The Mayor's Annual Awards and Celebration in April was an enjoyable evening with live musical entertainment from Graham Shellard. Dignitaries from other Councils attended the event, and over £856 was raised for the Mayor's Charity Fund just on this one night!

**PLANNING** - As a statutory planning consultee, the Town Council passes comments on all Whitworth applications; Rossendale Borough Council then takes these observations into account when reaching planning decisions. Since April 2016, 16 applications have been considered by the Town Council, ranging from home extensions to new developments. The Town Council is also consulted on Highways proposals and other consultations which relate to, or affect the Whitworth area.

**CONCLUSION** - Whitworth Town Council continues to work to the best of its ability to serve its community. The quality of the council is monitored and ratified through the benchmark council awards scheme, and the feedback from the community is overwhelmingly positive. The Town Council strives to be as accessible as possible, with the magazine and website facilitating communications to the community, and social media and the availability of the town clerk and councillors, along with the publicly attended council meetings, enabling a two-way communication with residents, organisations and businesses. The Town Council works with local organisations and authorities to improve its offer and to enhance the lives of everyone in Whitworth, and to ensure that any issues or problems are monitored and dealt with swiftly. It is always looking for innovative ideas to tackle problems, and initiatives such as the support of the Whitworth police car and the partnership working with Rossendale Council on controlling dog mess and making a real and positive difference to daily lives. On a lighter note, the Town Council continues to provide and support a range of fun, family events and initiatives throughout the year, encouraging community spirit and togetherness. There will, as always, be challenges and opportunities presented over the year ahead, but the Town Council is well equipped to deal with both.

# SCHOOL REPORT

## ST JOHN WITH ST MICHAEL

St John with St Michael CE Primary School have had a very busy term. We celebrated World Book day with a wide range of wonderful characters and the children had a lovely day making their own books.

Class 2 visited Gordon Riggs Garden Centre, and thanks to Miss Lanaghan for buying the school some wonderful blackberry and raspberry bushes to plant in our school grounds.

Science week was celebrated with a wide range of creative curriculum activities and hands on experiments.

Mrs Driver was very proud of the Class 4 children (year 3 and 4) who have taken part in Heart Start training with the Lancashire First Responders. St John with St Michael CE Primary School are also the proud owners of a community defibrillator.
